## PHENOMENAL WOMEN AND OUR GOD WITH US

By Vincent Guider  
North Lawndale Kinship Initiative Director

My mother, Lillian Guider, was born in the early 1900s. In addition to being a devoted wife, mother, grandmother, and woman of God, she was also a cherished friend and inspiration to many. Her cheer, respect, creativity, responsibility, and deep Christian faith caused coworkers, neighbors, church members, and friends and family members alike to hold her in high regard. Those who knew Mom well would frequently declare, "Lillian is such a wonderful woman!"

Unlike many African Americans who had migrated from the Jim Crow South to Northern cities during Mom's early years, she was a native Chicagoan - a south side girl through and through. Her optimism and love for the community kept her engaged in numerous social, civic, and church related projects. Next to being a devoted wife and mother, she also took great pleasure in enriching other people's lives whenever and however she could. She prayed, marched, cooked, encouraged, coached, den mothered, decorated, sewed, and rolled up her sleeves to do anything she could for the common good. Although many dedicated adults poured valuable lessons into me in church and schools when I was a youngster, my mom served as my first, best, and most consistent teacher about God's presence and love. Lillian's beautiful legacy shaped me, and it abides in me today.

**How blessed we are when godly women touch our lives. Mothers, grandmothers, wives, sisters, aunts, teachers, coaches, counselors, godmothers, religious women, caregivers of various sorts, mentors, neighbors, and other women make indelible impressions on us from the womb to the tomb. So here's to our female purveyors of morals, advocates of good habits, singers of sweet songs, deliverers of comfort, hard lessons and hope, shining sources of smiles, and deliverers of a correcting or tender touch when we need it. You are our blueprints for love. We are better off because of your care, and it is inconceivable that we could carry on without you.**

I can no longer physically be with the incredible women who shaped me in my youth; they are among the ancestors now. Still, they and God's Spirit remain with me, and through the cosmos, somehow I remain with them. When Jesus exhorts in this Sunday's gospel, "We are not left as orphans", he reminds us that He is one with the Father and us (John 14:15-21).

So, let us thank God for the phenomenal women who have been with us and for our God dwelling within them!

*Happy Mother's Day Weekend!*

## CONGRATULATIONS MONSIGNOR KEN VELO!

The community of Old St. Patrick's Church congratulates Monsignor Ken Velo on the 50th anniversary of his ordination to the priesthood!

Thanks be to God for Monsignor and his vocation and extraordinary ministry. With so many others, we have been deeply impacted by his work, his friendship, his kindness and his humor. Thank you, Monsignor, for all that you do for us! We love you and pray for many more years of happy ministry for you!

*A celebration of Monsignor hosted by Old St. Pat's will be scheduled in the coming weeks.*

## FIRST HOLY COMMUNION AT OLD ST. PATRICK'S CHURCH

Congratulations to the First Communicants from FXW, Old St. Patrick's Partners Program, and the Interfaith Family School. We are so happy that you have joined us at the Big Table!

## BLESSING OF MOTHERS

During the season of Easter, what a great time to remember our mothers and ask for God's blessing on them. It is God who ultimately gave us life. It is through God's unselfish love--mirrored in our mothers' willingness to associate their love with God's and take the risk to love us into life--that we have the opportunity for life. We remember our mothers this Mother's Day with much love. Let us pray for each of them:

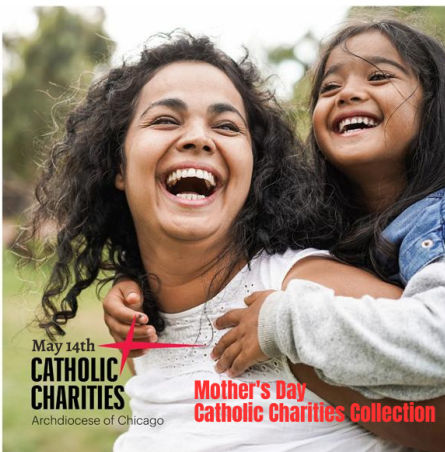

God our heavenly Father,  
you give to each the ability to share your generative love.  
Bless those women in our lives who mirror your love  
and bring forth life through their willingness  
to risk bringing new life into this world.  
Help us to show them our gratitude  
for the gift of life and the gift of a mother's love.  
May our life-giving God continue to bless them  
and show them his unfailing love.  
We ask this through Jesus, God's Son and our brother.

Amen.

"Join us for Mass of Mothers on May 17th at Old St. Patrick's Church with presider Fr. Ed . Please arrive by 6:15 to adorn the Remembering Tree with ribbons and name tags in honor of our mothers who are in our lives or who are in heaven. Mass begins at 6:30 PM. Reception immediately following the Mass in the Rectory."

Sarah\* was 21 with two children when she entered the Catholic Charities New Hope Apartments program. Having lived in foster care most of her life, she was seeking to be a good parent and successful adult. At New Hope, Sarah gained skills in budgeting, parenting, and interviewing. She blossomed before her case manager's eyes and went on to gain stable employment, enter a healthy marriage and enjoy a peaceful family life. Catholic Charities serves anyone in need of help throughout Cook and Lake counties, and many of them are mothers with children. **HELP CATHOLIC SCHOOL STUDENTS AND FAMILIES**

Help raise your voice to state legislators, so that thousands of children can continue receiving a great Catholic education in the future. Through this page <https://p2a.co/gmqrehi>, contacting your legislator is simple and takes less than one minute to complete. Let your legislators know you value the Illinois Invest In Kids Act, what it means to our 4,200 students from low-income and working-class families receiving these Tax Credit Scholarships, and ask them to #RemoveTheSunset!

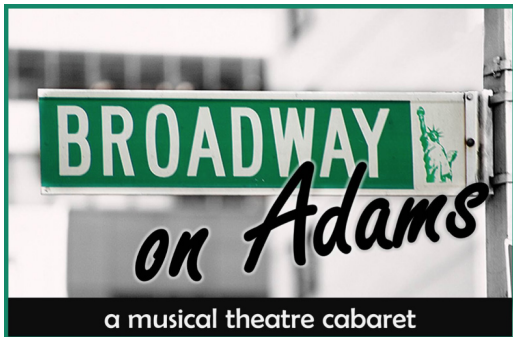

Passed in 2017, the Illinois Invest in Kids Tax Credit Scholarship Program provides scholarships to students from low-income and working-class families to attend their best-fit school. The program is a proven success with bipartisan voter support, awarding nearly 44,000 scholarships throughout the state. Despite its immense success, the Tax Credit Scholarship Program is a pilot program. It has a sunset clause which will end the program in 2023, unless our state lawmakers vote to extend the pilot or make the program permanent.

Many deserving students would not be able to attend our Catholic schools without these scholarships. Please join us now in our efforts to #RemoveTheSunset! Share the link with family and friends and help spread the word!

If you have any questions or would like more information about Tax Credit Scholarships, please contact Clare Sullivan at [csullivan@archchicago.org](mailto:csullivan@archchicago.org) or 312.534.5350

## FAMILY UPDATES

Our Syrian family continues to do very well ...

Dalya and Ziad, our Syrian family's mom and dad, who became U.S. citizens last year, were thrilled to cast their first ballots this year, reminding all of us that we should never take the privilege to vote for granted.

Amar, their second oldest child, a junior at Maine South Township in Park Ridge, is one of 16 students chosen from more than 300 applicants for a training program to become a certified nursing assistant (CNA). He will participate in this training over the next year. Upon completion of the training, Amar will be qualified as a CNA. Since his objective is to become a doctor eventually, he looks forward to this as a stepping stone to his ultimate career goal.

IRM will accompany a small family from the Central African Republic ...

Working through Catholic Charities, IRM will soon begin to accompany a mother, Opportune, and Souleymane, her 18 year-old son, currently housed on the north side near Loyola University. They come to us from the Central African Republic. Despite its significant mineral deposits and other natural resources, Central African Republic, which was a French colony until 1960, remains one of the 10 poorest countries in the world. Stay tuned as we get to know this new family.

Our family liaison team is composed of Pat Hamill, Marion O'Connell, Nancy Green and Lisa Cherivtch. Fortunately, Lisa is a seasoned ESL teacher with some knowledge of French, which is the family's primary language although they do speak some English.

IRM will also begin to accompany another family from Haiti soon.

They are a family of four--mom and dad with two older children--who come to us through the State Department's new program launched earlier this year, The Welcome Corps. This ambitious new program has invited U.S. private citizens to help resettle 5,000 refugees in 2023 and commit to accompaniment and friendship, to secure housing, and connect to ongoing support/services and organizations. This Haitian family is known to one of our volunteers, Julia Holmertz, who recommended this family to IRM. Our members Julia and Mary Rodino will co-chair this new IRM program.

## SEEKING ENGLISH AS A SECOND LANGUAGE VOLUNTEERS

Do you have an interest in teaching English as a Second Language? We are looking for volunteers to help with our Refugee/Asylum Seeker Ministry. If you have experience, great! If you haven't taught ESL, but have an interest, we can train you.

What you'll do: You'll organize courses for non-native speakers with diverse activities and methods that cover all aspects of the English language (speaking, writing and comprehending). We will provide you with the basic materials you'll need to get started. If you love English and education and have a desire to connect with people from all over the world to help them have a better life here in the U.S., we'd like to meet you. Contact Lisa at [lczingaro@gmail.com](mailto:lczingaro@gmail.com) with any questions or for more information.

The incredible true story of the women who fought America's Undark danger. Hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive—until they begin to fall mysteriously ill.

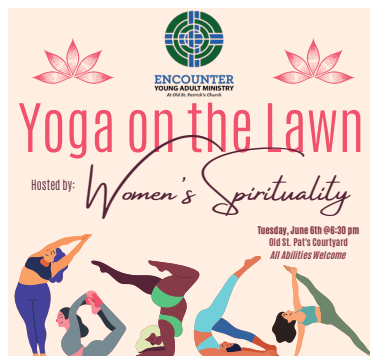

But the factories that once offered golden opportunities are now ignoring all claims of the gruesome side effects, and the women's cries of corruption. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come.

The "Contemplation on Divine Love" is the final meditation of the Spiritual Exercises of St. Ignatius. This spiritual exercise invites us to become aware of how God's love permeates all of reality, from the specific gifts of my own life journey to the presence of God in every created thing. Out of this awareness, God calls and enables me to make a return of love through the circumstances of the life I am living.

Join us for a day of quiet and structured prayer amongst the spring beauty of the Morton Arboretum. It is a day to step out of your routine and thanks to the guidance of St. Ignatius, enter a space where you and God can deepen your relationship. Breakfast and lunch will be provided. The retreat can accommodate 35 participants. Scholarships are available.

*Creator God, Thank you for May  
and the wonderful season of Spring.  
During this sweet time,  
we ask You for a fresh beginning  
in each of our hearts.  
Please allow each of us  
to bloom in Your word.  
Open our eyes and lives  
to the needed changes in our lives this Spring.  
Awaken us to new life and perspective,  
for we pray in Jesus' name.*

## Our Lady of Fatima

### Saint of the Day for May 13, 2023

Between May 13 and October 13, 1917, three Portuguese children—Francisco and Jacinta Marto and their cousin Lucia dos Santos—received apparitions of Our Lady at Cova da Iria near Fatima, a city 110 miles north of Lisbon. Mary asked the children to pray the rosary for world peace, for the end of World War I, for sinners, and for the conversion of Russia.

Mary gave the children three secrets. Following the deaths of Francisco and Jacinta in 1919 and 1920 respectively, Lucia revealed the first secret in 1927. It concerned devotion to the Immaculate Heart of Mary. The second secret was a vision of hell. When Lucia grew up she became a Carmelite nun and died in 2005 at the age of 97.

Pope John Paul II directed the Holy See's Secretary of State to reveal the third secret in 2000; it spoke of a "bishop in white" who was shot by a group of soldiers who fired bullets and arrows into him. Many people linked this vision to the assassination attempt against Pope John Paul II in St. Peter's Square on May 13, 1981.

The feast of Our Lady of Fatima was approved by the local bishop in 1930; it was added to the Church's worldwide calendar in 2002.

The message of Fatima is simple: Pray. Unfortunately, some people—not Sister Lucia—have distorted these revelations, making them into an apocalyptic event for which they are now the only reliable interpreters. They have, for example, claimed that Mary's request that the world be consecrated to her has been ignored. Sister Lucia agreed that Pope John Paul II's public consecration in St. Peter's Square on March 25, 1984, fulfilled Mary's request. The Congregation for the Doctrine of the Faith prepared a June 26, 2000, document explaining the "third secret."

Mary is perfectly honored when people generously imitate her response "Let it be done to me as you say" (Luke 1:38). Mary can never be seen as a rival to Jesus or to the Church's teaching authority, as exercised by the college of bishops united with the bishop of Rome.
