OSP's Immigration and Refugee Ministry assists refugees, immigrants and asylum seekers by supporting them as they adjust to new lives, educating others about their challenges and advocating on their behalf for just and compassionate policies.

Little Brothers - Friends of the Elderly Chicago alleviates social isolation and loneliness among older adults and helping them to live with full dignity. Volunteers provide them with nutrition, friendly visits and other resources to nourish them in body, mind and soul.

You may also use the following QR code to make monetary donations that will be evenly divided between both of these vital ministries.
