

Costs Associated with Funerals

At Old St. Patrick's Church

The cost of utilizing Old Saint Patrick's church for a funeral or memorial mass varies according to the musical and resources required. Our staff at Old Saint Patrick's Church is very invested in helping a family create a liturgy that reflects and honors the deceased. **The cost of a funeral liturgy for a registered member is \$1200.** Which includes our pastoral ministers working with the family and creating and typesetting a worship aid for the funeral mass. This stipend includes the use of the church for a one hour wake and funeral mass with the help of a minimum of three staff members (maintenance, hospitality and a sacristan who is familiar with preparation of the liturgy) who need to be present at the service to care for the family. This also includes an Honorarium stipend for the presider who performs the mass.

The additional cost of funerals, which require the help of additional individuals, will be expected to be paid separately. (Livestream of mass & technician, Musicians, Security) Be sure to inquire about such details when discussing fees with the church representative.

The cost of a wake (for a registered member) hosted in the church prior to the funeral mass of anything over an hour will be a minimum cost of \$1000 for the staff and the church. Your pastoral associate will be able to help you with these details.
