
Message from Fr. Pat: Feasibility Study Follow-Up

Happy September!

I hope you had a joyful and restful summer.

Over these summer months, the leadership team has taken time to reflect on the results of our Feasibility Study, especially the more than 650 heartfelt written responses. I want to express my deep gratitude to everyone who participated last spring, whether through interviews or the e-survey. Your thoughtful insights and reflections are shaping our path forward in powerful ways.

I'm especially encouraged by the enthusiastic embrace of our renewed mission and vision. We heard clearly how you value Old St. Pat's: the vibrant liturgies, the meaningful ministries, the dedication of our talented staff, and the strong sense of community that supports and inspires us all. Thank you for naming the many ways our shared faith makes a difference in your lives and in the world.

We also heard your honest feedback about where we can grow. We welcome the opportunity to become better, more responsive, and more faithful to the gospel and to the mission we share.

In the coming weeks, I'll be sharing updates on the steps we're already taking, and how these early actions will form the foundation of the larger campaign we plan to launch in 2026.

With gratitude,

A handwritten signature in black ink that reads "Fr. Pat".
