

Receptions

At Old St. Patrick's Church

As a rule Old Saint Pats does NOT host receptions for funerals. The use of Hughes Hall is unavailable to schedule because of the Virtus rules in place for protection of children on our campus as well as the use of the bride's room for wedding preparations on weekends. However, if the schedules allow, the 625 West Adams Great Hall is available for rental.

Old Saint Patrick's works with a company called venue logic to check availability and schedule receptions in the great hall space at 625 Adams. In addition to charging a fee for the space, the cost of a caterer, the set-up, the use of food & drink will require some extra cleaning, and there may be other items such as security, linens, etc. that renting this location will require and venue logic handles these details. Please let your pastoral associate know if you are interested in a contact for renting this location for a funeral reception.
